

## ***Home Health Services Reimbursement Rate Update***

Effective April 3, 2023, Louisiana Medicaid updated the reimbursement rates for home health services. The Medicaid procedure file reflects this change, and the Fee-forService (FFS) fee schedule will be updated on the Louisiana Medicaid website, [www.lamedicaid.com](http://www.lamedicaid.com).

United Healthcare Community Plan (UHC) will update its system to reflect the new rates within 30 days of this notification and notify providers of their process and timeline for implementing the 2023 home health reimbursement update. UHC will also recycle claims back to April 3, 2023.

Please contact UHC at 1-866-675-1607 for questions regarding updates and prior authorization requirements.
