

2024 Quality Rewards program

UnitedHealthcare Community Plan of Pennsylvania

Quality Rewards program overview

We created the Quality Rewards program to:

- **Recognize health care professionals** for offering quality service to UnitedHealthcare Community Plan members
- **Help our members get the right care, at the right time** and the right place
- **Reward excellence with cash incentives***
- **Address member care opportunities** based on HEDIS® measures tied to access to care, doctor/patient communication, children's health and diabetes monitoring/treatment
- **Help improve access** for our members by rewarding health care professionals for accepting new patients and decreasing inpatient admissions

The Quality Rewards program is available to eligible:

- Primary care providers (PCPs)
- Federally Qualified Health Centers (FQHCs) with dental practices
- Accountable care organizations (ACOs) and Patient Centered Medical Homes (PCMHs)
- OB-GYN/nurse-midwife practices
- Pediatric home health agencies

The program has different requirements and benchmarks based on care provider and/or organization type.

*Incentive bonuses will be paid to network UnitedHealthcare Community Plan health care professionals who are in good standing as of Dec. 31, 2024.

FQHCs with dental practices quality benchmark

Oral Evaluation, Dental Services (OED) (members ages 2–20)

Eligibility: FQHCs with dental practices in their primary care offices

To determine the OED incentive amount for each eligible FQHC:

- We'll use data from Jan. 1 to Dec. 31, 2023, as a baseline for the number of OEDs for members ages 2 to 20
- We'll compare the baseline result with the number of OEDs during the same time frame in 2023

**Target rate subject to change when NCQA Quality Compass data is*

**Annual bonus based on members in the denominator for this HEDIS measure as of Dec. 31, 2024. Note: FQHCs are eligible for improvement, HEDIS percentile and PCP ADV care opportunity incentives*

Pediatric shift nursing quality benchmark

Eligibility: Home health agencies with more than 5 patients receiving shift care nursing.*

Home health agencies will earn \$300 per member per month for each patient with a shift care nursing case.

**Must maintain less than 5% missed shifts quarterly.*

ACOs and PCMHs with shared savings agreements quality benchmark

Reducing potentially preventable readmissions

Eligibility: ACOs and PCMHs with shared savings agreements and high-volume health care professionals

We're offering this incentive to ACO and PCMH health care professionals because they have access to our population registry.

Incentive opportunities

ACO and PCMH providers who achieve a reduction of at least 10% in the readmission rate from 2023 to 2024 will receive a \$5,000.00 incentive.

**The minimum panel size is 3,000 UnitedHealthcare Community Plan members as of Dec. 31, 2024.*

OB-GYN/nurse-midwife practice quality benchmarks

Prenatal care in the first trimester

Eligibility: OB-GYNs/nurse-midwives participating with UnitedHealthcare Community Plan as of Dec. 31, 2024.

Incentive opportunities

Opportunity 1: Receive \$15 for each completed Obstetrical (OB) Needs Assessment form sent within 5 days of a member's first OB visit.

Opportunity 2: Earn \$40* for forms sent electronically using the OB cloud application.

**The \$40 payment amount for electronic form submission is in place of the \$15 for paper submission. You can earn one incentive or the other for each plan member – not both.*

Postpartum care

Eligible OB-GYNs/nurse-midwives:

- Have at least 10 patients who are UnitedHealthcare Community Plan members and assigned to their TIN or are seen by the practice
- Are participating with UnitedHealthcare Community Plan as of Dec. 31, 2024

Incentive opportunities

Opportunity 1: Receive \$50 per OB patient when the 50th percentile (78%)* of members reach the measure goal.

Opportunity 2: Receive \$200 per OB patient when the 75th percentile (82%)* of plan members reach the measure goal.

** Target rate subject to change when NCQA Quality Compass data is released in 2024.*

Health equity measure goal

We'll use the measure rate results of the African-American and Caucasian populations and will calculate a percentage difference in overall measure performance. Those groups with a 5% or less disparity in performance difference will receive \$500 per measure. (Minimum of 50 members for each denominator, containing a minimum of 10 African-American members in that denominator.)

Care opportunity closure incentives

Earn additional incentives for addressing the following care opportunities based on the claim data or medical record documentation we receive.

- **Postpartum care** — \$75 per chart received
- **Blood lead level screening for children** — \$75 per chart received
- **Glycemic Status Assessment for Patients with Diabetes**
 - For any lab result charts we receive, you get \$25. If that result is 9% or less, you get an additional \$25 for a total of \$50. When the initial lab result received is 9.1% or higher, and the member is retested and we receive that lab result from the health care professional, another \$25 will be awarded.

In mid-2024, we'll send you a list of members who may need these care opportunities addressed. We'll make payments quarterly once you submit appropriate documentation showing members' care opportunities are closed.

Incentive payment schedule

PCP incentive

- We'll send the incentive payment(s) for meeting quality benchmarks during a calendar year by the second quarter of the following year
 - For example, we'll send payments when you reach quality benchmarks in 2024 by the second quarter of 2025
- We'll send the payments for care opportunity closures periodically during a calendar year based on the timing of our care opportunity list mailings

OB-GYN/nurse-midwife incentive

- We'll send the incentive payment(s) for paper and electronic OB Assessment forms quarterly, within 120 days from the end of a quarter
- We'll pay all other incentives semi-annually by Dec. 31, 2024, and June 30, 2025

Note: The Quality Rewards program runs by calendar year and is funded by the Pennsylvania Department of Human Services. Financial bonuses under the program won't exceed 24.99% of the total potential annual payments we make to PCPs.
