

## Quality Rewards Program

### UnitedHealthcare Community Plan of Pennsylvania

Each year, UnitedHealthcare Community Plan of Pennsylvania congratulates exceptional health care professionals for meeting or exceeding our 2021 Preferred Provider quality of care, effectiveness and member access standards.

**Quality:** Correlation of Healthcare Effectiveness and Data Information Set (HEDIS®) measures to access to care, doctor-patient communication, preventive care visits and keeping members healthy

**Access:** Availability of physicians to provide care to current members and receive new members

**Effectiveness:** Improvement in reducing hospitalizations and emergency room visits, when appropriate

#### **Preferred primary care health care professionals**

Thank you to the following participating health care professionals for providing excellent care to UnitedHealthcare Community Plan members. These health care professionals will have Preferred Provider status effective Aug. 1, 2022, through July 31, 2023. Preferred Providers receive monetary incentives along with a waiver of certain administrative prior authorization requirements.
