**Electronic Visit Verification Portal New Login Process Through
Texas Medicaid & Healthcare Partnership IAMOnline**

Background:

Effective Aug. 24, the Texas Medicaid & Healthcare Partnership (TMHP) will transition the Electronic Visit Verification (EVV) Portal, along with several online portal applications, to the TMHP IAMOnline platform as the new entry point for accessing applications on the [TMHP webpage](#).

TMHP IAMOnline manages user authentication and authorization to provide a secure, single-entry point for TMHP applications. The EVV Portal is scheduled to transition to IAMOnline in Release 4 effective Aug. 24. [Read the full article.](#)
