**NAR and SEMARC Employability Status Check
Recording and Training Opportunities**

Long-Term Care Regulation staff and program providers are invited to view the recording of the Nurse Aide Registry (NAR) and Search Engine for Multi-Agency Reportable Conduct (SEMARC) Employability Status Check training.

Click [here](#) for the recording.

This course looks at the legal basis for conducting employee searches, specifically the NAR and SEMARC. SEMARC is an online hub that brings multiple agency registries together in one place, including the EMR. It includes how to conduct searches in both operations as well as how to capture and save those results, how to do bulk searches, and how to run various reports.

There are more upcoming training opportunities listed below. These webinars are intended for the following long-term care programs:

- Assisted Living Facilities (ALF)
- Day Activity & Health Services (DAHS), including DAHS with ISS and DAHS-ISS
- Individualized Skills and Socialization (ISS)
- Nursing Facilities (NF)
- Prescribed Pediatric Extended Care Centers (PPECC)
- Intermediate Care Facilities (ICF)
- Home and Community Support Services Agencies (HCSSA), including:
