Care provider reimbursement

Q. How will I be reimbursed for the UHC Dual Complete TN-Y001 (HMO-POS D-SNP) plan?

A. We will reimburse you according to your existing Medicare Advantage contracted rates, for eligible and covered services, up to the defined benefit value and process all necessary Medicare cost-share portions, payable by TennCareSM, up to the Medicaid allowable reimbursement rates. In addition, we are also responsible for the management and payment of Tennessee Medicaid benefits. Those Medicaid-only covered services will be reimbursed according to your existing Tennessee Medicaid contracted rates. At times, you may receive 2 provider remittance advices (PRAs) for services covered by both Medicare and Medicaid.

Health care professionals may not attempt to collect additional reimbursement from D-SNP members whose TennCareSM benefits cover all Medicare cost-sharing components. These members are not responsible for Medicare cost sharing under CMS regulations. Medicare cost sharing includes the deductibles, coinsurance and copays included as part of Medicare Advantage benefit plans.

Q. As a health care professional, do I need to be enrolled in TennCareSM to receive the remaining reimbursement?

A. Yes. You are required to enroll or register with the state TennCareSM plan to support state requirements when providing services to eligible members enrolled in a fully integrated dual-eligible plan that covers all Medicare and state TennCareSM benefits. If you decide not to enroll or re-enroll with the state TennCareSM program, you will no longer be eligible to participate in this program.
