Verifying member eligibility

You can verify member eligibility through the [UnitedHealthcare Provider Portal](#). Go to [UHCprovider.com](#), click Sign In and then select Eligibility.

Prior authorization

Prior authorization may be required for certain services based on the member's plan. Inpatient and outpatient services generally don't require prior authorization when members are referred to health care professionals who participate with UnitedHealthcare Medicare Advantage PPO.

Services that require prior authorization will be listed at [UHCprovider.com/priorauth](#) > Advance Notification and Plan Requirement Resources. Submit your request at least 14 days before the planned date of service:

By phone: Call the Provider Services number on the member's ID card

You don't need to submit another prior authorization request if a request was previously reviewed and approved by UnitedHealthcare for dates of service starting Jan. 1, 2024, and after. MDX Hawaii, Inc. will reimburse services approved by UnitedHealthcare.

2024 UnitedHealthcare UCard

You can download a copy of the member ID card when you verify eligibility and benefits in the [UnitedHealthcare Provider Portal](#).

- Nearly all UnitedHealthcare Medicare Advantage plan members who receive an ID card receive the UnitedHealthcare UCard® (some plan exclusions may apply)
- UnitedHealthcare UCard makes it easier for members to access their benefits and programs so they can take advantage of their plan offerings
- UCard does not need to be activated for you to verify eligibility or provide care services to members and should be used in the same manner as any other UnitedHealthcare member ID card
- UCard cannot be used for member out-of-pocket expenses, including copays, coinsurance or deductibles
- Each UCard includes an S3 number, security code and scannable barcode for in-store purchases or spending rewards — providers do not need to scan the barcode to provide medical, dental, prescription, vision or hearing services to the member

Sample member ID cards for illustration only; actual information varies depending on payer, plan and other requirements.
