

# UnitedHealthcare Commercial Reimbursement Policy Update Bulletin: June 2023

| New and revised  |                |  |
|--|----------------|--|
| Policy Title   | Effective Date | Policy Summary   |
| Molecular Pathology Policy, Professional and Facility<br><b>(Reminder)</b> | August 1, 2023 | <ul style="list-style-type: none"> <li>Effective with dates of service on or after August 1, 2023, UnitedHealthcare will revise the Molecular Pathology Policy, Professional.</li> <li>The updated reimbursement policy requirements will apply to both professional and facility claims, and the policy name will be updated to Molecular Pathology Policy, Professional and Facility.</li> <li>The policy will no longer require the submission of a unique test ID obtained through the Genetic Test Registry (GTR).</li> <li>The policy will require the submission of a DEX Z- code™ which would be obtained from the Palmetto DEX Registry. The registry can be found on <a href="http://www.dexzcodes.com">www.dexzcodes.com</a>.</li> <li>Claims for molecular pathology services will be denied if the DEX Z- code™ information is missing, invalid, or does not match the service represented by the CPT code reported on the claim.</li> <li>Claims denied for missing or invalid information may be resubmitted with the required information.</li> <li>The Palmetto DEX Z- code™ should be reported in Loop 2400 or SV-101-7 for professional electronic claims and in box 19 for paper claims. Facility claims should be reported in Loop 2400 or SV-202-7.</li> </ul> |

**Note:** The absence of a policy does not automatically indicate or imply coverage. As always, coverage for a health service must be determined in accordance with the member’s benefit plan and any applicable federal or state regulatory requirements.
