The following table contains the CPT® codes that require advance notification for UnitedHealthcare commercial members. The following table also contains CPT codes that are interchangeable for advance notification. If you receive advance notification for a procedure that corresponds with the crosswalk table, then the substitution is appropriate. If you receive advance notification for a procedure that does not require site of service review but need to perform a procedure that does require site of service review, please call 866-889-8054 for UnitedHealthcare membership and 1-877-773-2884 for Oxford membership as additional review is required.
